Dear Funder,

Thanks to your generosity literally thousands of high school students will have an opportunity to view Ben McKenzie's acclaimed performance in **Dalton Trumbo's JOHNNY GOT HIS GUN** for many years to come.

More importantly, by donating copies of this film with public performances rights included to high school libraries across the U.S. you are supplying educators and students with a valuable learning tool.

The pre-screening & post-screening discussion guides contained in the “Special Features” of this DVD are designed to promote thoughtful discussion about the movie and novel's themes of patriotism, honor, duty, and war.

In addition, a percentage of the sale of each donated DVD will be given to the **Fallen Patriot Fund**, established to help families of U.S. military personnel who were killed or seriously injured during Operation Iraqi Freedom. [www.fallenpatriotfund.org](http://www.fallenpatriotfund.org)

Your kind donation benefits high school students, educators, veterans and their families, and the independent filmmakers whose passion made this film the success it has become.

THANK YOU!
